

qual site de aposta paga melhor

British, informal. used to say that something is not likely to have an effect or make a difference. He'll do it anyway, so what's the odds of telling him not to?

What's the odds Definition & Meaning - Merriam-Webster dictionary

Odds are presented as a positive or negative number next to the team's name. A negative number means the team is favored to win, while a positive number indicates that they are the underdog.
