For each horse in a race the prices on offer by all

bookmakers in the sample are ordered into a list from longest to shortest. The

list is then divided into two equal halves and the SP is the shortest odds avail

able in the half containing the longest odds.

With standard UK

and Irish horse racing when you choose SP then it doesn't matter what the price

is when you take the horse, it only matters what price your horse

is when the race starts - this is what you will be paid out at.
