<p>It s a really good game it s fun to play and entertaining I like this g
ame because you couldn t make sure the sound and there s no sound wit
hout loading up your device or 11 get down so get down so ; it s a real
ly good game it s fun to play and it really entertaining I like this game becaus
e you can ; make sure the sound and there s no sound without increasing
up your device or lowing it so what I would ; like to say is that they
should get quite a bit of an upgrade and stop telling you to continuously <p>
<p> get something because during the run because you d be focusing on your hig
h score instead of something else as it s ; really distracting and take
s up a lot of your time during the run as in addition I would like to <p>
say that there is quite a couple of good things about this because you can watc
h an advert if you <p> wanted to you to get the daily rewards are really
rewarding and you can get a lot of keys which <p> would help you speed up
one thing I do not like about this game is how the speed goes up <p> as
you run fast I guess that s all the cons and all the pros Plus there s a lot of
kind <p> of thing you d get five of something and you get is money and in
the money the randomising money thing <p> is that you didn t after 10,00
0 coins right but usually it is 1000 coins and below which is kind of <p>
really random because it s frustrating as I m trying to get a lot of money whic
h would help if you d allowed <p> us to get a lot of money in a certain t
ime not just 1100 or 200
