

O O bet365

The first four Silent Hill games are all uniquely unnerving; these titles gave survival horror fans a more psychological alternative to Resident Evil's more visceral terrors. Each Silent Hill game transforms trauma into monstrous physical manifestations, which is arguably most effective in Silent Hill 2.

Horror Games Scarier Than Resident Evil - CBR

Horror Games Scarier Than Resident Evil - CBR : horror-games-scarier-than-resident-evil

It is a movie about a mother who dies with her daughter and gets trapped in a ghost town, Silent Hill. She goes looking for her daughter and meets some monsters on the way. There is one scene where a main enemy from the games rips the skin off of a woman, killing her.

Definitely not for kids.
