If you don't have

an account, this will be your default state! From there, select y

our skill level, and then click Play as Guest: From there, choose your time sett

ing and click 'play'; just like a normal game, and you'll be matched

with someone who also chose that skill level!

If you

're with a friend in person and want to play chess together, but don't ha

ve a board, don't worry! As long as you have the Chess app on yo

ur mobile device, you can play right there on the digital board!
