While it is graphically impressive, the gunplay remains state of the art, and there are some welcome but all-too-brief attempts to tread new ground, Modern Warfare 2's campaign relies too much on echoing the victories of Call of Dutys past rather than establishing its own triumphs

A somewhat droll campaign will greet players of Modern Warfare II. It's a short bombastic romp with some fun gunplay moments and fantastic graphics. The multiplayer, however, is a miss as it is no longer a properly combined entity and the lack of replayability is disappointing.
