Roper is a platform game where you control a running character with a single tap across many levels with obstacles, enemies and cliffs. Your character runs automatically and only stops when he hits a solid object or a wall. Tap and hold to jump at the right moment to keep your character running in the right direction, and tap again and hold to swing off of platforms with the brown circle. You must collect all of the coins in the level to successfully complete it.

Can you finish all 100 levels in Roper?
