Ponte is a soft, stretchy, knitted fabric that holds its shape, travels well, doesn't fade, rarely wrinkles and is super comfy. Perfection! Double-knit drapes because of its weight but keeps its structure, giving a smooth and streamlined silhouette.

Ponte is a thick, double knit fabric design produced on double jersey (Rib or Interlock) knitting machines. It is one of the firm, stable structures of knits with a subtle sheen. This fabric is heavier and thicker than a regular jersey . As with most of the other double knit designs, Ponte is reversible.
