Flags is a thinking game where you are presented with a random flag, and you must guess which country it belongs to. There are six main game modes: 1. Standard: You are given a flag and must guess the country. 2. Reverse: You are given a country name and must choose from three flags. 3. Timed: You have a limited time to guess. 4. Multiplayer: Compete with friends. 5. Custom: Create your own flags. 6. Challenge: Complete specific tasks.

similarly but in reverse: The game will show you a country name and present you with three flags to choose from. The quicker you answer, the more points you will earn. And the more questions you get right, the higher your score. The game is available on various platforms including mobile devices and desktop computers.
