The trader principle is the principle of attaining value from other people through mutually beneficial trade rather than force, fraud, or parasitism.

It is the principle that one should consume as much as he earns, no more and no less. People should interact with each other peacefully and for mutual gain.

1. Criar um novo script

Para criar um novo script no Aviator, basta escolher o tipo de Script desejado (por exemplo: roteiro de envio das mensagens) e definir

o nome dele. Depois de criar o script, você precisará definir as ações que deseja que o roteiro execute. Isso pode incluir coisas como enviar mensagens, executar scripts, abrir URLs, etc. Então, vamos

ver como fazer isso:
