Donald J. DeFeo Jr. is a Newsday reporter! He told police that he arrived shortly after 10 p.m. and found the front door unlocked. He claimed he and his wife crawled into the house through a window and it took them a while to get across the seamy, dark, and bloody scene. Amityville Horror: The True Story Behind the Family Massacre

So if something's a supernatural thriller, that doesn't automatically mean it's a combination of horror and thriller, but it will be something that features characters or themes usually associated with fantasy and/or horror genres, and will make them tense or thriller-like.
